

# **SSS COVID-19 Regatta Participation Guidelines**

*Revised 7/22/20*

Racing will be conducted in compliance with all relevant county health orders and any additional site-specific regulations in effect at the time of each event that are detailed in the event's Sailing Instructions (SIs).

## **General Procedures and Practices for Race Participants**

### **All Participants:**

- That exhibit symptoms of COVID-19 are directed to stay home and not participate in any activity that may risk the exposure of others.
- Should maintain a safe distance of at least 6 feet from anyone outside of their household or social bubble\* before, during, and after any SSS event.
- Should wear a face covering when in public spaces.
- Are required to provide their own personal protective equipment and to carry a face covering with them at all time during events.
- Accept full responsibility for any potential exposure to COVID-19 that may result from participating in any SSS event.

### **Doublehanded Participants:**

- All doublehanded boats shall consist of individuals occupying a single household or social bubble.
- The Skipper is the person in-charge of a boat during an event. Skippers are responsible for their vessel and their crew's compliance with all COVID-19 directives.
- At the time of registration, Skippers of doublehanded boats shall self-certify that they and their crew occupy the same household or social bubble.
- All Skippers of doublehanded boats not able to find crew that meet these criteria are encouraged to race singlehanded.

\*Social bubbles are defined as stable groups of 12 people or less who have agreed to limit their social activities to only each other for at least three weeks.
